Sophie Miller Foundation Launched at Tournament House

Works from ‘Artists in Residence’ at Three Campuses Featured at Foundation Fête

The Sophie Miller Foundation launched on April 20 at Pasadena’s Tournament House, featuring works of art by seniors living at The Episcopal Home Communities’ three campuses. Thirty-seven pieces of exceptional art by residents reflected the inspiration, optimism and fulfillment of older adults. Several of the artists were present, proud to share their pieces with the foundation Trustees, officers and close friends of the organization. Chairman of the Board Elsie Sadler and President Janelle Morton made welcome remarks. The evening was festive and convivial, a perfect reflection of the foundation itself.

The artist’s stories are inspiring. Valentine Weber from Scripps Kensington is 86 and took his first art lesson in March 2010. Helen Stringer from The Covington, also 86, is legally blind and painted her first picture only five years ago. Dorothy Hetrick, an 11-year resident at The Canterbury, had her 100th birthday on April 27. Partially paralyzed on her left side, she is able to paint with her right hand, which she does every week—beautifully.

(continued)
Margaret Schumacher of The Covington and Vera Ferguson of San Juan Capistrano, the painting’s owner, with John Dilkes’ Mediterranean Scene, an oil painting done in 2003. Dilkes, Mrs. Schumacher’s father, began painting at the age of 89; he passed away last year at 98.

The Sophie Miller Foundation (continued)

“Through these inspiring works of art, we are reminded that as The Sophie Miller Foundation reaches out in the future, we must encompass the needs of ever more active seniors in retirement,” said Janelle Morton. “The ‘Artists in Residence’ exhibition highlights the vibrant nature of our communities and their wonderful residents, a ‘show’ of their quality of life.”

benevolence and innovation. The foundation will fundraise and manage previously donated funds in order to provide charitable care for seniors who cannot afford the cost of their care. In addition, the foundation will support programs that enrich the lives of older adults, both within and outside the three retirement communities’ walls.

The “Artists in Residence” show was presented at Scripps Kensington on April 23 and moved on to The Covington on May 1, before ending its travels at The Canterbury on May 15. Festive celebrations at the three campuses featured the artists themselves in attendance, champagne receptions and celebratory cakes topped with the foundation’s new logo.

Proceeds to benefit The Benevolence Fund
taking care of our senior friends in need
The board of trustees of the new Sophie Miller Foundation convened for their first meeting on November 2, 2009. The foundation, which assumes the former responsibilities of The Episcopal Home’s Development Department, was formed in late 2009. The foundation is dedicated to raising and managing funds to subsidize charitable care at the three communities. The foundation’s mission also includes a mandate to look into the broader community to identify needs and fund innovative programs that elevate the quality of life for seniors throughout the region.
“We are grateful to have assembled such a distinguished board of trustees that brings exceptional experience to the foundation,” said Janelle Morton, President of the foundation and former Vice President of Development for The Episcopal Home Communities. The foundation board is chaired by Elsie Sadler, former chair and current member of The Episcopal Home Communities’ board of directors.

“Among our members, we have individuals who are experts in finance, health care, business, philanthropy, law and senior living,” said Elsie. “Their guidance will be invaluable as we undertake our responsibilities to fund benevolent care on our own campuses and as we begin to look at the needs facing future generations of seniors.”

Brytain Ashford is Vice President of Human Resources for The California Endowment, the largest health foundation in California. She is also a licensed attorney, served two terms on the TEHC board of directors and continues to serve on its Compensation Committee.

Reginald “Reggie” Barnes is the former Chief Financial Officer of the Directors Guild of America.

Linda Blinkenberg is Vice President and Director of Foundations Services at The Whittier Trust Company, where she oversees the foundation administration and grant-making activity of 16 local foundations.

Cathy Clement, Vice Chair of the Sophie Miller Foundation board, is the Director of Philanthropy at Five Acres. She is a member of the TEHC board of directors and previously served as Chair of the TEHC Development Committee.

Linda Harris is an Episcopal Home Communities volunteer and former two-term member of the TEHC Board of Directors. She is also a past President of the Halcyon Club at Scripps Kensington.

Harcourt Hervey, secretary of the board, is a trusts and estates lawyer and mediator. He is the former President of the South Pasadena Educational Foundation and has served on TEHC’s Development Committee.

Frances Kimbrough retired from Bank of America Investment Services, Inc., where she was Senior Vice President and Regional Executive responsible for business in five western states.

Robert Long is a retired Partner of the Los Angeles law firm Latham & Watkins LLP.

Kimberly Schugart, Ph.D., is Vice President and Controller at Lockheed Federal Credit Union and a former Professor of Chemistry at Cal State Long Beach.

Martha Tamburrano is in her sixth year as President and CEO of The Episcopal Home Communities.

The foundation anticipates receipt of its 501(c)(3) designation this summer. The foundation will manage all donor-restricted gifts and board-designated funds, and expects to dispense $2 million this year to help seniors who are unable to pay the full cost of their care and services at The Episcopal Home Communities’ three communities. It also will raise funds for the Benevolence Fund, Employee Education Fund and Staff Assistance Fund for Emergencies (SAFE), and add additional programs in the future.

**Scripps Kensington**

- **“Never2Late” computer system**  
  *Cost:* $7,500

SAFE

Staff Assistance Fund for Emergencies provides gifts to employees in dire emergencies. This fund is dependent on the gifts of our employees, who give through regular paycheck deductions, cash gifts, and donations of hours of their PTO (paid time off or vacation). We are proud that more than 40 employees have been aided in the past three years, and our employees continue to step forward and contribute $20,000 annually to sustain this invaluable fund. Our fellow employees are very grateful.
